Hello Dan,

please see within a Draft version of the sprinter MY17 AECD for your review.  
This is based on the discussion and feedback we had with Byron, Joel and you on the 15<sup>th</sup> of June meeting.

We plan to reserve some time within the tomorrow's meeting to give you some more background information and discuss the next steps for the Sprinter AECDs.

Also, on behalf of Mercedes I want to make sure that EPA understands that these materials are confidential, and are being submitted to EPA under a request for confidential treatment, and should get the benefit of all applicable FOIA and California Public Records Act disclosure exemptions

Regards,

Felix

Felix,

Hello. I am wondering, are you responsible also for Sprinter certification? If so, do you know the expected date of the certification submission? Would you be able to provide to me the 2017 AECD documents soon?

Thanks,

Dan
